WE'VE PARTNERED WITH AMERICAN FORESTS

Through our ongoing membership with 1% for the Planet, a non-profit organization that inspires individuals and businesses to support environmental solutions, we have chosen to support American Forests as our 2020 partner. American Forests focuses on protecting and restoring healthy forest ecosystems in a variety of ways through their Releaf Program. To do this, a portion of all sales from True North products will go to supporting their mission. Every dollar we donate means a new tree is planted in areas that are meaningful to our customers, including intentional replanting in areas that have been devastated by wildfires. NAME

STRUCTURE GEAR

MACHINE OR HAND WASH WITH WARM WATER. TURN BAG INSIDE OUT AND LINE DRY.

75L 210 DENIER WATERPROOF

DECON BAG / 75L

The Decon Bag has a very important job; to protect the firefighter from cancer-causing contaminants left on dirty turnout gear. With its airtight design and abrasion-resistant construction, this roomy bag reliably traps soiled gear and prevents carcinogens on PPE from migrating to the apparatus' cabin until items can be safely laundered. The durability of the 210D coated Nylon combined with welded seams allows the Decon Bag to be washed and hung to dry for re-use.

- + Roll-top design keeps contaminants sealed in
- + Highly abrasion resistant
- + Airtight, waterproof construction
- + Welded seams withstand up to 2x more stress
- + Holds up to repeated laundering
- + Fits into the AMABILIS® 80L Duffel
- + 210 Denier Coated Nylon

SIDEWINDER™ MASK BAG UPGRADED

The SideWinder™ Mask Bag features a unique, ergonomically correct side-opening design for easy access. Designed to fit the largest face pieces, including those with voice amplifiers. The side-opening design protects against debris falling into the mask bag, while allowing for maximum ventilation when needed. Interior is soft, easy-to-clean nylon, guaranteed not to leave fibers on your face piece. Large pocket on back for head sock.

Dimensions: 14.5" X 13.5"
Materials: 1000 D Cordura, 420 Pack cloth, 3M reflective
Color: ● Red

ROPE BAG

Rope bag fits inside or outside of the RIT Bags

Size: 200' ROPE
Color: ● Red

HIGH RISE HOSE STRAP

U-shaped designed, quick release straps to carry hose

Size: 100' HOSE
Color: ● Black

GRENADE™ HOSE STRAP

Our Grenade™ Hose Strap holds it together so you don't have to. Designed to accommodate a wide range of hose sizes and bundle types, the Grenade™ is fast and easy to deploy while wearing structure gloves. No more fumbling to open the hook and loop closure or tugging the strap through a buckle to free the hose. Our patent-pending release mechanism lets you simply pull the pin and throw.

L-2 RIT BAG

- + Designed to hold all makes of masks and bottles
- + 3M Reflective Tape for a 360 degree view
- + Quick-Draw transfill hose pocket pulls hose end out and ready to grab
- + Two tool pockets and a Flashlight holder provide multiple storage options
- + 60" shoulder strap which can be re-positioned for carrying, dragging or lowering
- + Heat-Shield™ Nylon 6.6 skid plate is extremely wear resistant and allows the bag to glide over the roughest surfaces
- + Inside strap to better secure the cylinder in the bag
- + Additional webbing to attach L-Series Rope Bag
- + Dimensions: 36" x 13" x 10" | Weight: 5 lbs

L-3 LITE SPEED™ RIT BAG

The L3 Lite Speed™ RIT Bag is streamlined into a fundamental bag for optimum rescue efficiency in low-visibility, high-stress situations.

- + Perfect for all RIT, F.A.S.T. and R.I.C. operations
- + Impact-resistant Heat-Shield™ skid plate
- + Hi-Vis reflective tape to help identify openings in low visibility environments
- + Designed to hold all makes of masks and bottles that are 9" diameter or smaller
- + Hypalon zipper pulls that makes it easier for when using with heavy thick gloves
- + Protected mask pocket with fast access
- + Side pocket for only the most essential, life-saving tools
- + Large zip opening for easy installation of the air cylinder
- + Internal strap on the inside to keep cylinder secure in the bag
- + Separate pockets for low and high pressure lines with touch identifiable handles
- + 4"x4" loop panel on top of bag for station ID or unit patches

DISPATCH™ DUFFEL

Get going quickly with our firefighter-approved duffel made specifically for turnout gear. This bag's simple yet functional design is roomy enough for your clothing, boots and helmet.

- + Durable, abrasion resistant body
- + Roomy, functional design to accommodate all makes of bunker gear, boots and helmets
- + Materials: 1000D Nylon Cordura®

AMABILIS® DUFFEL 80L

The True North® AMABILIS® duffel is the result of a unique partnership between True North® and AMABILIS®, a designer-manufacturer of outdoor gear with a reputation for design innovation within the outdoor and tactical markets. Termed "the world's toughest duffel," this bag packs in a wide range of performance features guaranteed to meet gear needs in both structure and wildland fire markets. With a penchant for chewing up and spitting out rugged environments, this well-sized 80L duffel can take your best shot and keep going.

- + Dimensions: 30" x 14"

OUR PROMISE

True North Gear® has invested over 25 years into the research, design, testing and manufacturing of durable and innovative clothing and gear in support of the utilities, oil and gas and select first responder markets. Over the years, we have stayed true to our heritage of seeking out and harnessing user feedback to create new design solutions or upgrade existing ones. We provide the pinnacle in performance through a design philosophy that embraces durability, comfort and protection as inclusive elements. Designing and delivering dependable products is essential to the vitality of our organization and our overarching mission to support and protect a customer base that operates in liferisking environments every day.

Committed and caring customer service and a lifetime material warranty on all products further distinguishes DragonWear's customer-driven focus. All products are covered against defects in the materials and workmanship, and complimentary repair or replacement of items with a manufacturing defect will be provided for the practical lifetime of the product. Damage due to wear and tear may be repaired at a reasonable charge.
